ABOUT ME

As a React developer my enthusiasm, for web development motivates me to continuously improve my skills and take on opportunities. I am excited about the prospect of joining a company where I can collaborate with developers contribute to innovative projects and expand my knowledge within a supportive team environment. With a foundation in React my focus lies in creating user friendly web applications that make a lasting impression, on users.

Some of the skills I possess include;
- Programming Languages; JavaScript, HTML, CSS
- Front end Development; React, Redux, React Router, Typescript
- Version Control; Git, GitHub
- Problem Solving: Strong analytical and debugging skills
- Communication: Excellent verbal and written communication skills
